

Rotarians,

Last Wednesday we had Claire Sutton as our guest speaker. The 37 attendees (which included 7 members of the "other" club) were treated to a very thorough review of the life and times of Mrs Pitt, wife, mother and sister of a number of quite famous prime ministers in the 1700's. The fact that Mrs Pitt has been largely ignored by history made Claire's research all the more impressive. After questions, Peter Stucky provided a vote of thanks.

Assistant Almoner Graham Lee updated us regarding Sheila King. Our next meeting on the 4th November 19:30 will be a council meeting with an added SGM (to elect next year's officers).

P.S. I have heard a bit more about remembrance day plans and I hope to be present to represent the club, if there is space and the invitation arrives!

All the best  
Bryan
