

Wednesday, 30th March saw a group of Rotarians, friends, partners and spouses gather at the Royal British Legion for a Partner's Evening organised by Rtn Clive Collier and his committee from Romsey Test Rotary. It was a most enjoyable evening - a good meal followed by a Majority Rules Quiz. The rules of the quiz were a mystery to most people, but obviously not to Clive and to the Club President Roger Shepherd, who was on the same table, because they won.

The photos show Clive explaining the rules of the quiz (note the rapt attention of everybody), and President Roger expressing his thanks at the end of the evening.
