

It was cold in the tent but we entertained Mayor of Romsey, Dorothy Baverstock who told us that her first term as Mayor was in 1994,

Her philosophy with her Mayor's Charity has been to support small charities who otherwise find it difficult to raise funds. She has a treasure chest, made by her late husband which symbolises her fund and we presented a cheque for £750 her charity.

She told us that she had been a keen supporter of the Warhorse Project, but that this year there are to be several events to commemorate the 100th anniversary of the end of WW!, following which a scaling back is planned.
