

Good Morning All

Just returned from breakfast meeting so writing minutes while I remember.

12 booked in – 8 attended breakfast

Those that attended enjoyed the usual good breakfast with some good conversation.

Linda thanked Rotary for the donation to employ a youth worker for a year, she went on to advise that all charities and organisations having great difficulty in getting volunteers.

Discussion took place as to why children needed their help, Linda advised a great many children stressed over being confused over what sex they are, ie boy/girl. Teachers are having classroom discussions with children as young as 8, which is causing a great deal of anxiety among children.

After a very good discussion with Linda I then gave a brief update on the Walk progress. Numbers are still increasing, B&Q are showing interest in registering a team. May need to stop any further registration from St Mary Bourne as very close to max number of 212.

Question asked as to why increase this year? We believe due to increase in marketing, corporate scheme, Shaun's radio involvement and the regularity of the marketing on Facebook.

Meeting closed 9 am
