

Notes from our latest Rotary meeting 16th Dec (sent to all members)

Rotarians,

Just a quick note for those who couldn't attend our meeting last night. 37 attendees, including 8 members from the lunchtime club enjoyed a very well informed talk from Mark Edgerley (recently retired town centre manager). He described the master plan for the Aldi, Crossfield Hall and the bus station area of the town. The large number of questions reflected the interest of the club in the towns future. David Sutton provided the vote of thanks.

I advertised the lunchtime clubs annual carol service, 21st December 19:00 and advised that I had committed 50% of my presidential giving budget to three major charities (Jane Scarth, Parkinsons UK and the Motor Neuron Disease Association).

Keith noted that the club was currently featuring in the Southern Echo for our contributions to our local foodbank. Graham Lee was thanked for coming up with this idea and seeing it through. Next meeting is business on 6th January 19:30.

Merry Christmas

Bryan
