

Meeting notes for Wednesday Nov 13th, 2019. S Mitchell

Chair – President

Members- about 27 present

Visitors- Nil

Venue Cromwell Arms, breakfast

Speaker- Keith Cameron.

Keith Talked about Communications in and around the club.

Keith outlined the communications team, just in case some of us have forgotten

Paul looks after the website; David Sutton is the link to local newspapers. He seems friendly with the new young reporter at the Advertiser. Neil Beasley looks after photo opportunities and Shaun is our media rep. Keith asked if people could look at their photo files to send them in for club archive and promotions/videos etc./local articles/website to keep all fresh. Keith emphasized that this aspect is most important to raise our image locally.

David set up our video (now 2 years old) showing what we get up to. So, the new photos would be useful.

Following the update, a quiz was held showing photos around Romsey (a good link this!!). WE were asked to guess where they were located/ Most were of architectural interest. So, guess show won? Yes Mr Beasley. He certainly knows his stuff. I must walk around with my head facing the floor as got hardly any right. But I've only been in Romsey 20years.

Neill one 6fresh eggs from Keith's chickens and David received 6 also for his efforts putting quiz together. Well done to both.

Jim had two puddings surplus if anyone wanted one.

Next Meeting Town Hall 20th November
